The Honorable Board of Supervisors  
County of Los Angeles  
383 Kenneth Hahn Hall of Administration  
500 West Temple Street  
Los Angeles, CA 90012

Dear Supervisors:

**APPROVAL TO RENEW A SOLE SOURCE TRANSITIONAL HOUSING  
SERVICES AGREEMENT WITH A COMMUNITY OF FRIENDS  
(ALL SUPERVISORIAL DISTRICTS)  
(3 VOTES)**

**SUBJECT**

Request approval to renew an existing Transitional Housing Services Agreement with A Community of Friends to provide housing and supportive services to seriously emotionally disturbed young adults.

**IT IS RECOMMENDED THAT YOUR BOARD:**

Approve and authorize the Director of Mental Health, or his designee, to prepare, sign, and execute renewal of the Transitional Housing Services Agreement (Agreement) using an agreement format, substantially similar to Attachment I, with A Community of Friends (ACOF) to provide transitional housing and supportive services. The term of this Agreement will be effective July 1, 2009, through June 30, 2012. This Agreement will be funded by an Intrafund Transfer from the Department of Children and Family Services (DCFS) – Independent Living Program funds for an estimated Total Compensation Amount (TCA) of \$408,000 or \$136,000 annually.

**PURPOSE/JUSTIFICATION OF RECOMMENDED ACTIONS**

Step-Out, a Transitional Housing Program (THP), is a collaborative effort between ACOF, DCFS, and the Department of Mental Health (DMH) to provide housing and supportive services to seriously emotionally disturbed (SED) young adults, ages 18-21,

who are exiting DCFS foster care or Probation and are at risk of becoming homeless. The primary goal is to assist these high-risk young adults in obtaining and remaining in secure housing, increasing their independent living skills and income levels, and achieving greater independence.

The renewal of this Agreement authorizes the continuation of the Step-Out THP with ACOF for a three-year term, and is required to continue the provision of housing and supportive services for SED young adults exiting the foster care system. Board approval is required due to the June 30, 2009, expiration date of the existing Agreement. Additionally, this Agreement will support the goal of reducing homelessness among the emancipated foster youth population.

#### **Implementation of Strategic Plan Goals**

The recommended actions are consistent with County Strategic Plan Goal 2, "Children, Family, and Adult Well-Being," and Goal 4, "Health and Mental Health."

#### **FISCAL IMPACT/FINANCING**

This Agreement will be funded by an Intrafund Transfer from the DCFS – Independent Living Program funds in the amount of \$136,000 for Fiscal Year (FY) 2009-10. Funding for FYs 2010-11 and 2011-12 will be requested through DMH's annual budget process. There is no impact on net County cost.

#### **FACTS AND PROVISIONS/LEGAL REQUIREMENTS**

The attached agreement format includes the following new, revised, or mandated provisions: Force Majeure, Local Small Business Enterprise Preference Program, Consideration of Greater Avenues for Independence (GAIN) or General Relief Opportunities for Work (GROW) Participants for Employment, and the updated Safely Surrendered Baby Law Fact Sheet.

The Agreement format has been approved as to form by County Counsel. The CEO has reviewed the proposed actions. DMH clinical and administrative staff will also continue to administer the Agreement, evaluate programs to ensure that quality services are provided to clients, and ensure that the Agreement provisions and Departmental policies are followed.

### **CONTRACTING PROCESS**

ACOF has an existing Agreement with DMH, which will expire on June 30, 2009. Given the timing required to plan, develop, and implement an open solicitation process, at this time DMH believes a solicitation would put the youth currently living in the Step-Out THP at risk of homelessness effective July 1, 2009. Renewal of the Agreement is the best option that can be implemented in a timely manner to avoid such a risk. In addition, the costs associated with an open solicitation process would likely exceed the amount of funding for the project, and would therefore not be cost-effective. With the decrease in available DCFS-Independent Living Program funding for this program, it is unlikely that another agency or entity would be able to identify and attain committed resources to provide and support 20 units of housing while delivering at least the same level of service. Accordingly, attached is a Sole Source Contract Checklist (Attachment II).

### **IMPACT ON CURRENT SERVICES**

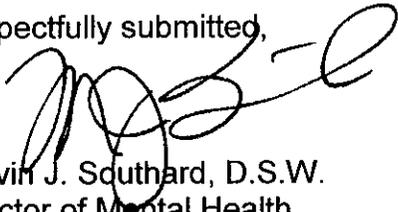

The renewal of this Agreement will provide continued provision of housing and supportive services to SED young adults; help increase their independent living skills and income level; achieve greater independence; and eventual transition to permanent housing.

The Honorable Board of Supervisors  
June 9, 2009

**CONCLUSION**

DMH will need one copy of the adopted Board action. It is requested that the Executive Officer of the Board notify DMH's Contracts Development and Administration Division at (213) 738-4684 when this document is available.

Respectfully submitted,

31 NOW, THEREFORE, Contractor and County agree as follows:

32 **PREAMBLE**

33 For over a decade, the County has collaborated with its community partners to enhance the  
34 capacity of the health and human services system to improve the lives of children and families. These  
35 efforts require, as a fundamental expectation, that the County's contracting partners share the County and  
36 community's commitment to provide health and human services that support achievement of the County's  
37 vision, goals, values, and adopted outcomes. Key to these efforts is the integration of service delivery  
systems and the adoption of the Customer Service and Satisfaction Standards.

1 The County of Los Angeles' Vision is to improve the quality of life in the County by providing  
2 responsive, efficient, and high quality public services that promote the self-sufficiency, well-being and  
3 prosperity of individuals, families, business and communities. This philosophy of teamwork and  
4 collaboration is anchored in the shared values of:

- |                          |                                |
|--------------------------|--------------------------------|
| ➤ <b>Responsiveness</b>  | ➤ <b>Integrity</b>             |
| ➤ <b>Professionalism</b> | ➤ <b>Commitment</b>            |
| ➤ <b>Accountability</b>  | ➤ <b>A Can-Do Attitude</b>     |
| ➤ <b>Compassion</b>      | ➤ <b>Respect for Diversity</b> |

5 These shared values are encompassed in the County Mission to enrich lives through effective and  
6 caring service and the County Strategic Plan's eight goals: 1) Service Excellence; 2) Workforce  
7 Excellence; 3) Organizational Effectiveness; 4) Fiscal Responsibility; 5) Children and Families' Well-Being;  
8 6) Community Services; 7) Health and Mental Health; and 8) Public Safety. Improving the well-being of  
9 children and families requires coordination, collaboration, and integration of services across functional and  
10 jurisdictional boundaries, by and between County departments/agencies, and community and contracting  
11 partners.

12 The basic conditions that represent the well-being we seek for all children and families in Los  
13 Angeles County are delineated in the following five outcomes, adopted by the Board of Supervisors in  
14 January 1993.

- 15 • Good Health;
- 16 • Economic Well-Being;
- 17 • Safety and Survival;
- 18 • Emotional and Social Well-Being; and
- 19 • Education and Workforce Readiness.

20 Recognizing no single strategy - in isolation - can achieve the County's outcomes of well-being for  
21 children and families, consensus has emerged among County and community leaders that making  
22 substantial improvements in integrating the County's health and human services system is necessary to  
23 significantly move toward achieving these outcomes. The County has also established the following  
24 values and goals for guiding this effort to integrate the health and human services delivery system:

- 25 ✓ Families are treated with respect in every encounter they have with the health,  
26 educational, and social services systems.
- 27 ✓ Families can easily access a broad range of services to address their needs, build  
28 on their strengths, and achieve their goals.
- 29 ✓ There is no "wrong door": wherever a family enters the system is the right place.
- 30 ✓ Families receive services tailored to their unique situations and needs.
- 31 ✓ Service providers and advocates involve families in the process of determining

1 service plans, and proactively provide families with coordinated and comprehensive  
2 information, services, and resources.

- 3 ✓ The County service system is flexible, able to respond to service demands for both  
4 the Countywide population and specific population groups.
- 5 ✓ The County service system acts to strengthen communities, recognizing that just as  
6 individuals live in families, families live in communities.
- 7 ✓ In supporting families and communities, County agencies work seamlessly with  
8 public and private service providers, community-based organizations, and other  
9 community partners.
- 10 ✓ County agencies and their partners work together seamlessly to demonstrate  
11 substantial progress towards making the system more strength-based, family-  
12 focused, culturally-competent, accessible, user-friendly, responsive, cohesive,  
13 efficient, professional, and accountable.
- 14 ✓ County agencies and their partners focus on administrative and operational  
15 enhancements to optimize the sharing of information, resources, and best practices  
16 while also protecting the privacy rights of families.
- 17 ✓ County agencies and their partners pursue multi-disciplinary service delivery, a  
18 single service plan, staff development opportunities, infrastructure enhancements,  
19 customer service and satisfaction evaluation, and revenue maximization.
- 20 ✓ County agencies and their partners create incentives to reinforce the direction  
21 toward service integration and a seamless service delivery system.
- 22 ✓ The County human service system embraces a commitment to the disciplined  
23 pursuit of results accountability across systems. Specifically, any strategy designed  
24 to improve the County human services system for children and families should  
25 ultimately be judged by whether it helps achieve the County's five outcomes for  
26 children and families: good health, economic well-being, safety and survival,  
27 emotional and social well-being, and education and workforce readiness.

28 The County, its clients, contracting partners, and the community will continue to work together to  
29 develop ways to make County services more accessible, customer friendly, better integrated, and  
30 outcome-focused: Several departments have identified shared themes in their strategic plans for  
31 achieving these goals including: making an effort to become more consumer/client-focused; valuing  
32 community partnerships and collaborations; emphasizing values and integrity; and using a strengths-  
33 based and multi-disciplinary team approach. County departments are also working to provide the Board  
34 of Supervisors and the community with a better understanding of how resources are being utilized, how  
35 well services are being provided, and what are the results of the services: is anyone better off?

1 The County of Los Angeles health and human service departments and their partners are working  
2 together to achieve the following **Customer Service And Satisfaction Standards** in support of improving  
3 outcomes for children and families.

4 **Personal Service Delivery**

5 The service delivery team – staff and volunteers – will treat customers and each other  
6 with courtesy, dignity, and respect.

- 7 • Introduce themselves by name
- 8 • Listen carefully and patiently to customers
- 9 • Be responsive to cultural and linguistic needs
- 10 • Explain procedures clearly
- 11 • Build on the strengths of families and communities

12 **Service Access**

13 Service providers will work proactively to facilitate customer access to services.

- 14 • Provide services as promptly as possible
- 15 • Provide clear directions and service information
- 16 • Outreach to the community and promote available services
- 17 • Involve families in service plan development
- 18 • Follow-up to ensure appropriate delivery of services

19 **Service Environment**

20 Service providers will deliver services in a clean, safe, and welcoming environment, which  
21 supports the effective delivery of services.

- 23 • Ensure a professional atmosphere
- 24 • Display vision, mission, and values statements
- 25 • Provide a clean and comfortable waiting area
- 26 • Ensure privacy
- 27 • Post complaint and appeals procedures

28 The basis for all County health and human services contracts is the provision of the highest level of quality  
29 services that support improved outcomes for children and families. The County and its contracting  
30 partners must work together and share a commitment to achieve a common vision, goals, outcomes, and  
31 standards for providing services.”

34 Auditor-Controller's Contract Accounting and Administration Handbook which shall be furnished to  
35 Contractor by County upon request. Contractor shall also maintain accurate and complete records of all

1 services provided by all professional and other personnel and other records of all services provided  
2 hereunder in sufficient detail to permit an evaluation and audit of the services provided under this  
3 Agreement. All such records shall be maintained by Contractor at a location in Los Angeles County  
4 during the term of this Agreement and for five years thereafter. During such retention period, all such  
5 records shall be made available during County's normal business hours to representatives of County  
6 and/or State governments for purposes of inspection, program review, and/or audit. In the event any  
7 records are located outside Los Angeles County, then Contractor shall pay County for all travel, per diem,  
8 and other costs incurred by County for any inspection or audit at such other location.

9 B. In the event that any audit of any or all aspects of this Agreement is conducted of  
10 Contractor by any Federal or State auditor, or by any auditor or accountant employed by Contractor or  
11 otherwise, then Contractor shall file a copy of such audit report(s) with DMH's Contracts Development and  
12 Administration Division within thirty days of Contractor's receipt thereof, unless otherwise provided by  
13 applicable Federal or State law or under this Agreement.

14 C. Failure on the part of Contractor to comply with any of the terms of this Paragraph 8 shall  
15 constitute a material breach of this Agreement upon which County may terminate or suspend this  
16 Agreement.

17 9. **COUNTY AUDIT SETTLEMENTS:** If, at any time during the term of this Agreement or at any  
18 time after the expiration or termination of this Agreement, authorized representatives of County conduct an  
19 audit of Contractor regarding the services provided hereunder and if such audit finds that County's dollar  
20 liability for such services is less than payments made by County to Contractor, then, the difference shall  
21 be: (1) repaid by Contractor to County by cash payment upon demand and/or (2) at the sole discretion of  
22 Director, deducted from any amounts due by County to Contractor, whether under this Agreement or  
23 otherwise. If such audit finds that County's dollar liability for services provided hereunder is more than  
24 payments made by County to Contractor, then the difference shall be paid to Contractor by County by  
25 cash payment, provided that in no event shall County's Maximum Contract Amount, as set forth in  
26 Paragraph 4 (Reimbursement), be exceeded.

27 10. **NOTICE OF DELAYS:** Whenever County or Contractor has knowledge that any actual or  
28 potential situation is delaying or threatens to delay the timely performance of this Agreement, such party  
29 shall, within three business days, give notice thereof, including all relevant information with respect  
30 thereto, to the other party.

31 11. **FEDERAL ACCESS TO RECORDS:** If, and to the extent that, Section 1861(v)(1)(I) of the Social  
32 Security Act (42 United States Code Section 1395x(v)(1)(I)) is applicable, Contractor agrees that for a  
33 period of four years following the furnishing of services under this Agreement, Contractor shall maintain  
34 and make available, upon written request, to the Secretary of the United States Department of Health and  
35 Human Services or the Controller General of the United States, or to any of their duly authorized

1 representatives, the contracts, books, documents and records of Contractor which are necessary to verify  
2 the nature and extent of the cost of services hereunder. Furthermore, if Contractor carries out any of the  
3 services provided hereunder through any subcontract with a value or cost of TEN THOUSAND DOLLARS  
4 (\$10,000) or more over a twelve-month period with a related organization (as that term is defined under  
5 Federal law), Contractor agrees that each such subcontract shall provide for such access to the  
6 subcontract, books, documents and records of the subcontractor.

7 12. **REPORTS:**

8 A. Contractor shall make reports as required by Director or State regarding Contractor's  
9 activities and operation as they relate to Contractor's performance of this Agreement. In no event may  
10 County require such reports unless it has provided Contractor with at least thirty days' prior written  
11 notification. County shall provide Contractor with a written explanation of the procedures for reporting the  
12 required information.

13 B. **Income Tax Withholding:**

14 (1) If Contractor has not had a DMH contract in effect for at least the last three  
15 consecutive years, Contractor shall submit to DMH's Contracts Development and Administration Division  
16 the following reports showing timely payment of employees' Federal and State income tax withholding.  
17 Further, Contractor shall provide these reports to DMH whenever requested by Director. These reports  
18 shall include, but are not limited to:

19 (a) Within ten days of filing with the Federal or State government, a copy of  
20 Contractor's Federal and State quarterly income tax withholding returns (i.e., Federal Form 941 and/or  
21 State Form DE-3 or their equivalents).

22 (b) Within ten days of each payment, a copy of a receipt for, or other proof of  
23 payment of, each employee's Federal and State income tax withholding, whether such payments are  
24 made on a monthly or quarterly basis.

25 (2) Required submission of above quarterly and monthly reports by Contractor may  
26 be waived or discontinued by Director in writing based on Contractor's demonstration of prompt and  
27 appropriate payment of all its obligations. This Subparagraph B shall not apply to governmental agencies.

28 13. **NONDISCRIMINATION IN EMPLOYMENT:**

29 A. Contractor certifies and agrees that all persons employed by it, its affiliates, subsidiaries,  
30 or holding companies are and will be treated equally by it without regard to, or because of, race, color,  
31 religion, national origin, ancestry, sex, age, or physical or mental handicap in compliance with all  
32 applicable Federal and State anti-discrimination laws and regulations.

33 B. Contractor shall take affirmative action to ensure that qualified applicants are employed,  
34 and that employees are treated during employment, without regard to race, color, religion, national origin,  
35 ancestry, sex, age, or physical or mental handicap, in compliance with all applicable Federal and State

1 laws and regulations. Such action shall include, but is not limited to, the following: employment,  
2 upgrading, demotion, transfer, recruitment or recruitment advertising, layoff or termination, rates of pay or  
3 other forms of compensation, and selection for training, including apprenticeship.

4 C. Contractor shall post in conspicuous places in each of Contractor's facilities providing  
5 services hereunder, available and open to employees and applicants for employment, notices setting forth  
6 the provisions of this Paragraph 13.

7 D. Contractor shall deal with its subcontractors, bidders, or vendors without regard to or  
8 because of race, color, religion, ancestry, national origin, sex, age, or physical or mental handicap.

9 E. Contractor shall allow County representatives access to its employment records during  
10 regular business hours to verify compliance with the provisions of this Paragraph 13 when so requested by  
11 Director.

12 F. Contractor shall comply with all applicable requirements of Section 504 of the  
13 Rehabilitation Act of 1973 (29 United States Code Section 794). Policy and procedure guidelines for such  
14 compliance are available to Contractor from the DMH's Personnel Division.

15 G. If County finds that any of the above provisions have been violated, the same shall  
16 constitute a material breach of this Agreement upon which County may cancel, terminate, or suspend this  
17 Agreement. While County reserves the right to determine independently that the anti-discrimination  
18 provisions of this Agreement have been violated, in addition, a determination by the California Fair  
19 Employment Practices Commission or the Federal Equal Employment Opportunity Commission that  
20 Contractor has violated State or Federal anti-discrimination laws or regulations shall constitute a finding by  
21 County that Contractor has violated the anti-discrimination provisions of this Agreement.

22 H. The parties agree that in the event Contractor violates any of the anti-discrimination  
23 provisions of this Paragraph 13, County shall be entitled, at its option, to the sum of FIVE HUNDRED  
24 DOLLARS (\$500) pursuant to California Civil Code Section 1671 as liquidated damages in lieu of  
25 terminating or suspending this Agreement.

26 14. **FAIR LABOR STANDARDS:** Contractor shall comply with all applicable provisions of the Federal  
27 Fair Labor Standards Act, and shall indemnify, defend, and hold harmless County, its officers, employees,  
28 and agents, from any and all liability, including, but not limited to, wages, overtime pay, liquidated  
29 damages, penalties, court costs, and attorneys' fees arising under any wage and hour law, including, but  
30 not limited to, the Federal Fair Labor Standards Act, for services performed by Contractor's employees for  
31 which County may be found jointly or solely liable.

32 15. **INDEMNIFICATION AND INSURANCE:**

33 A. **Indemnification:** The Contractor agrees to indemnify, defend, and hold harmless the  
34 County, its Special Districts, elected and appointed officers, employees, and agents from and against any  
35 and all liability, including but not limited to demands, claims, actions, fees, costs, and expenses (including

1 attorney and expert witness fees), arising from or connected with the Contractor's acts and/or omissions  
2 arising from and/or relating to this Agreement.

3 B. General Provisions For All Insurance Coverage: Without limiting Contractor's  
4 indemnification of County, and in the performance of this Contract and until all of its obligations pursuant to  
5 this Contract have been met, Contractor shall provide and maintain at its own expense insurance coverage  
6 satisfying the requirements specified in Section 15 of this Agreement. These minimum insurance coverage  
7 terms, types and limits (the "Required Insurance") also are in addition to and separate from any other  
8 contractual obligation imposed upon Contractor pursuant to this Agreement. The County in no way warrants  
9 that the Required Insurance is sufficient to protect the Contractor for liabilities which may arise from or relate  
10 to this Agreement.

11 (1) Evidence of Coverage and Notice to County:

12 (a) Certificate(s) of insurance coverage (Certificate) satisfactory to County, and  
13 a copy of an Additional Insured endorsement confirming County and its Agents (defined below) has been  
14 given Insured status under the Contractor's General Liability policy, shall be delivered to County at the  
15 address shown below and provided prior to commencing services under this Agreement.

16 (b) Renewal Certificates shall be provided to County not less than 10 days prior  
17 to Contractor's policy expiration dates. The County reserves the right to obtain complete, certified copies of  
18 any required Contractor and/or Sub-Contractor insurance policies at any time.

19 (c) Certificates shall identify all Required Insurance coverage types and limits  
20 specified herein, reference this Agreement by name or number, and be signed by an authorized  
21 representative of the insurer(s). The Insured party named on the Certificate shall match the name of the  
22 Contractor identified as the contracting party in this Agreement. Certificates shall provide the full name of  
23 each insurer providing coverage, its NAIC (National Association of Insurance Commissioners) identification  
24 number, its financial rating, the amount so any policy deductibles or self-insured retentions exceeding fifty  
25 thousand (\$50,000.00) dollars, and list any County required endorsement forms.

26 (d) Neither the County's failure to obtain, nor the County's receipt of, or failure  
27 to object to a non-complying insurance certificate or endorsement, or any other insurance documentation or  
28 information provided that the Contractor, its insurance broker(s) and/or insurer(s), shall be construed as a  
29 waiver of any of the Required Insurance provisions.

30 Certificates and copies of any required endorsements shall be sent to:

31 County of Los Angeles  
32 Department of Mental Health  
33 Contracts Development and Administration Division  
34 550 South Vermont Avenue, 5<sup>th</sup> Floor, Los Angeles, CA 90020  
35 Attention: Managed Care Unit

1 Contractor also shall promptly report to County any injury or property damage accident or incident,  
2 including any injury to a Contractor employee occurring on County property, and any loss, disappearance,  
3 destruction, misuse, or theft of County property, monies or securities entrusted to Contractor. Contractor  
4 also shall promptly notify County of any third party claim or suit filed against Contractor or any of its Sub-  
5 Contractors which arises from or relates to this Agreement, and could result in the filing of a claim or lawsuit  
6 against Contractor and/or County.

7 (2) Additional Insured Status and Scope of Coverage: The County of Los Angeles, its  
8 Special Districts, Elected Officials, Officers, Agents, Employees and Volunteers (collectively County and its  
9 Agents) shall be provided additional insured status under Contractor's General Liability policy with respect to  
10 liability arising out of Contractor's ongoing and completed operations performed on behalf of the County.  
11 County and its Agents additional insured status shall apply with respect to liability and defense of suits arising  
12 out of the Contractor's acts or omissions, whether such liability is attributable of the Contractor or the County.  
13 The full policy limits and scope of protection also shall apply to the County and its Agents as an additional  
14 insured, even if they exceed the County's minimum Required Insurance specifications herein. Use of an  
15 automatic additional insured endorsement form is acceptable providing it satisfies the Required Insurance  
16 provisions herein.

17 (3) Cancellation of Insurance: Except in the case of cancellation for non-payment of  
18 premium, Contractor's insurance policies shall provide, and Certificates shall specify, that County shall  
19 receive not less than thirty (30) days advance written notice by mail of any cancellation of the Required  
20 Insurance. Ten (10) days prior notice may be given to County in event of cancellation for non-payment of  
21 premium.

22 (4) Failure to Maintain Insurance: Contractor's failure to maintain or to provide  
23 acceptable evidence that it maintains the Required Insurance shall constitute a material breach of the  
24 Contract, upon which County immediately may withhold payments due to Contractor, and/or suspend or  
25 terminate this Agreement. County, at its sole discretion, may obtain damages from Contractor resulting from  
26 said breach.

27 (5) Insurer Financial Ratings: Coverage shall be placed with insurers acceptable to the  
28 County with A.M. Best ratings of not less than A:VII unless otherwise approved by County.

29 (6) Contractor's Insurance Shall be Primary: Contractor's insurance policies, with  
30 respect to any claims related to this Contract, shall be primary with respect to all other sources of coverage  
31 available to Contractor. Any County maintained insurance or self-insurance coverage shall be in excess of  
32 and not contribute to any Contractor coverage.

33 (7) Waivers of Subrogation: To the fullest extent permitted by law, the Contractor  
34 hereby waives its rights and its insurer(s)' rights of recovery against County under all the Required Insurance  
35 for any loss arising from or relating to this Agreement. The Contractor shall require its insurers to execute

1 any waiver of subrogation endorsements which may be necessary to affect such waiver.

2 (8) Sub-Contractor Insurance Coverage Requirements: Contractor shall include all  
3 Sub-Contractors as insureds under Contractor's own policies, or shall provide County with each Sub-  
4 Contractor's separate evidence of insurance coverage. Contractor shall be responsible for verifying each  
5 Sub-Contractor complies with the Required Insurance provisions herein, and shall require that each Sub-  
6 Contractor name the County and Contractor as additional insureds on the Sub-Contractor's General Liability  
7 policy. Contractor shall obtain County's prior review and approval of any Sub-Contractor request for  
8 modification of the Required Insurance.

9 (9) Deductibles and Self-Insured Retentions (SIRs): Contractor's policies shall not  
10 obligate the County to pay any portion of any Contractor deductible or SIR. The County retains the right to  
11 require Contractor to reduce or eliminate policy deductibles and SIRs as respects the County, or to provide a  
12 bond guaranteeing Contractor's payment of all deductibles and SIRs, including all related claims  
13 investigation, administration and defense expenses. Such bond shall be executed by a corporate surety  
14 licensed to transact business in the State of California.

15 (10) Claims Made Coverage: If any part of the Required Insurance is written on a claims  
16 made basis, any policy retroactive date shall precede the effective date of this Agreement. Contractor  
17 understands and agrees it shall maintain such coverage for a period of not less than three (3) years following  
18 the Agreement expiration, termination or cancellation.

19 (11) Application of Excess Liability Coverage: Contractors may use a combination of  
20 primary, and excess insurance policies which provide coverage as broad as ("follow form" over) the  
21 underlying primary policies, to satisfy the Required Insurance provisions.

22 (12) Separation of Insureds: All liability policies shall provide cross-liability coverage as  
23 would be afforded by the standard ISO (Insurance Services Office, Inc.) separation of insureds provision with  
24 no insured versus insured exclusions or limitations.

25 (13) Alternative Risk Financing Programs: The County reserved the right to review, and  
26 then approve, Contractor use of self-insurance, risk retention groups, risk purchasing groups, pooling  
27 arrangements and captive insurance to satisfy the Required Insurance provisions. The County and its  
28 Agents shall be designated as an Additional Covered Party under any approved program.

29 (14) County Review and Approval of Insurance Requirements: The County reserves the  
30 right to review and adjust the Required Insurance provisions, conditioned upon County's determination of  
31 changes in risk exposures.

32 C. Insurance Coverage:

33 (1) Commercial General Liability insurance (providing scope coverage equivalent to  
34 ISO policy form CG 00 01), naming County and its Agents as an additional insured, with limits of not less  
35 than:

1 terminate this Agreement and, in its sole discretion, to deduct from the Agreement price or consideration,  
2 or otherwise recover, the full amount of such commission, percentage, brokerage, or contingent fee.

3 17. **CONFLICT OF INTEREST:**

4 A. No County employee whose position in County enables such employee to influence the  
5 award or administration of this Agreement or any competing agreement, and no spouse or economic  
6 dependent of such employee, shall be employed in any capacity by Contractor or have any direct or  
7 indirect financial interest in this Agreement. No officer or employee of Contractor who may financially  
8 benefit from the provision of services hereunder shall in any way participate in County's approval, or  
9 ongoing evaluation, of such services, or in any way attempt to unlawfully influence County's approval or  
10 ongoing evaluation of such services.

11 B. Contractor shall comply with all conflict of interest laws, ordinances and regulations now in  
12 effect or hereafter to be enacted during the term of this Agreement. Contractor warrants that it is not now  
13 aware of any facts that create a conflict of interest. If Contractor hereafter becomes aware of any facts  
14 that might reasonably be expected to create a conflict of interest, it shall immediately make full written  
15 disclosure of such facts to County. Full written disclosure shall include, without limitation, identification of  
16 all persons implicated and complete description of all relevant circumstances.

17 18. **UNLAWFUL SOLICITATION:** Contractor shall require all of its employees to acknowledge, in  
18 writing, understanding of and agreement to comply with the provisions of Article 9 of Chapter 4 of Division  
19 3 (commencing with Section 6150) of California Business and Professions Code (i.e., State Bar Act  
20 provisions regarding unlawful solicitation as a runner or capper for attorneys) and shall take positive and  
21 affirmative steps in its performance hereunder to insure that there is no violation of such provisions by its  
22 employees. Contractor shall utilize the attorney referral service of all those bar associations within the  
23 County of Los Angeles that have such a service.

24 19. **INDEPENDENT STATUS OF CONTRACTOR:**

25 A. This Agreement is by and between County and Contractor and is not intended, and shall  
26 not be construed, to create the relationship of agent, servant, employee, partnership, joint venture, or  
27 association, as between County and Contractor. The employees and agents of one party shall not be, or  
28 be construed to be, the employees or agents of the other party for any purpose whatsoever.

29 B. Contractor shall be solely liable and responsible for providing to, or on behalf of, all  
30 persons performing work pursuant to this Agreement all compensation and benefits. County shall have no  
31 liability or responsibility for the payment of any salaries, wages, unemployment benefits, disability benefits,  
32 Federal, State, or local taxes, or other compensation, benefits, or taxes for any personnel provided by or  
33 on behalf of Contractor.

34 C. Contractor understands and agrees that all persons performing services pursuant to this  
35 Agreement are, for purposes of workers' compensation liability, the sole employees of Contractor and not

1 employees of County. Contractor shall be solely liable and responsible for furnishing any and all workers'  
2 compensation benefits to any person as a result of any injuries arising from or connected with any  
3 services performed by or on behalf of Contractor pursuant to this Agreement.

4 D. Contractor shall provide to County an executed Contractor Employee Acknowledgement  
5 of Employer (Exhibit D) for each of its employees performing services under this Agreement. Such  
6 Acknowledgements shall be delivered to DMH's Contracts Development and Administration Division on or  
7 immediately after the commencement date of this Agreement, but in no event later than date any such  
8 employee first performs services under this Agreement.

9 20. **CONSIDERATION OF HIRING COUNTY EMPLOYEES TARGETED FOR LAYOFF OR**  
10 **FORMER COUNTY EMPLOYEES ON A REEMPLOYMENT LIST:** Should Contractor require additional  
11 or replacement personnel after the effective date of this Agreement to perform the services set forth  
12 herein, Contractor shall give first consideration for such employment openings to qualified permanent  
13 County employees who are targeted for layoff or qualified former County employees who are on a  
14 reemployment list during the term of this Agreement.

15 21. **CONSIDERATION OF GREATER AVENUES FOR INDEPENDENCE (GAIN) OR GENERAL**  
16 **RELIEF OPPORTUNITIES FOR WORK (GROW) PARTICIPANTS FOR EMPLOYMENT:** Should  
17 Contractor require additional or replacement personnel after the effective date of this Agreement,  
18 Contractor shall give consideration for any such employment openings to participants in the County's  
19 Department of Public Social Services' Greater Avenues for Independence (GAIN) Program or General  
20 Relief Opportunities for Work (GROW) Program who meet Contractor's minimum qualifications for the  
21 open position. If contractor decides to pursue consideration of GAIN/GROW participants for hiring,  
22 Contractor shall provide information regarding job openings and job requirements to Department of Public  
23 Social Services' GAIN/GROW staff at [GAINGROW@dpss.lacounty.gov](mailto:GAINGROW@dpss.lacounty.gov). County will refer GAIN/GROW  
24 participants, by job category, to the Contractor. In the event that both laid-off County employees and  
25 GAIN/GROW participants are available for hiring, County employees shall be given first priority.

26 22. **DELEGATION AND ASSIGNMENT BY CONTRACTOR:**

27 A. Contractor shall not assign its rights or delegate its duties under the Agreement, or both,  
28 whether in whole or in part, without the prior written consent of County, in its discretion, and any attempted  
29 assignment or delegation without such consent shall be null and void. For purposes of this paragraph,  
30 County consent shall require a written amendment to the Agreement, which is formally approved and  
31 executed by the parties. Any payments by County to any approved delegate or assignee on any claim  
32 under the Agreement shall be deductible, at County's sole discretion, against the claims which Contractor  
33 may have against County.

34 B. Shareholders, partners, members, or other equity holders of Contractor may transfer, sell,  
35 exchange, assign, or divest themselves of any interest they may have therein. However, in the event any

1 such sale, transfer, exchange, assignment, or divestment is effected in such a way as to give majority  
2 control of Contractor to any person(s), corporation, partnership, or legal entity other than the majority  
3 controlling interest therein at the time of execution of the Agreement, such disposition is an assignment  
4 requiring the prior written consent of County in accordance with applicable provisions of this Agreement.

5 C. Any assumption, assignment, delegation, or takeover of any of the Contractor's duties,  
6 responsibilities, obligations, or performance of same by any entity other than the Contractor, whether  
7 through assignment, subcontract, delegation, merger, buyout, or any other mechanism, with or without  
8 consideration for any reason whatsoever without County's express prior written approval, shall be a  
9 material breach of the Agreement which may result in the termination of the Agreement. In the event of  
10 such termination, County shall be entitled to pursue the same remedies against Contractor as it could  
11 pursue in the event of default by Contractor.

12 23. **SUBCONTRACTING:**

13 A. No performance of this Agreement, or any portion thereof, shall be subcontracted by  
14 Contractor without the prior written consent of County as provided in this Paragraph 23. Any attempt by  
15 Contractor to subcontract any performance, obligation, or responsibility under this Agreement, without the  
16 prior written consent of County, shall be null and void and shall constitute a material breach of this  
17 Agreement. Notwithstanding any other provision of this Agreement, in the event of any such breach by  
18 Contractor, this Agreement may be terminated forthwith by County. Notwithstanding any other provision of  
19 this Agreement, the parties do not in any way intend that any person or entity shall acquire any rights as a  
20 third party beneficiary of this Agreement.

21 B. If Contractor desires to subcontract any portion of its performance, obligations, or  
22 responsibilities under this Agreement, Contractor shall make a written request to County for written approval  
23 to enter into the particular subcontract. Contractor's request to County shall include:

24 (1) The reasons for the particular subcontract.  
25 (2) A detailed description of the services to be provided by the subcontract.  
26 (3) Identification of the proposed subcontractor and an explanation of why and how the  
27 proposed subcontractor was selected, including the degree of competition involved.

28 (4) A description of the proposed subcontract amount and manner of compensation,  
29 together with Contractor's cost or price analysis thereof.

30 (5) A copy of the proposed subcontract that shall contain the following provision:

31 "This contract is a subcontract under the terms of the prime contract with  
32 the County of Los Angeles and shall be subject to all of the provisions of such prime contract."

33 (6) A copy of the proposed subcontract, if in excess of \$10,000 and utilizes State funds,  
34 shall also contain the following provision:

35 "The contracting parties shall be subject to the examination and audit of the Auditor General

1 for a period of three years after final payment under contract (Government Code, Section 8546.7)."

2                   The Contractor will also be subject to the examination and audit of the State Auditor  
3 General for a period of three years after final payment under contract (Government Code, Section 8546.7).

4                   (7) Any other information and/or certifications requested by County.

5           C. County shall review Contractor's request to subcontract and shall determine, in its sole  
6 discretion, whether or not to consent to such request on a case-by-case basis.

7           D. Contractor shall indemnify and hold harmless County, its officers, employees, and agents,  
8 from and against any and all liability, damages, costs, and expenses, including, but not limited to, defense  
9 costs and legal fees, arising from or related to Contractor's use of any subcontractor, including any officers,  
10 employees, or agents of any subcontractor, in the same manner as required for Contractor, its officers,  
11 employees, and agents, under this Agreement.

12           E. Notwithstanding any County consent to any subcontracting, Contractor shall remain fully  
13 liable and responsible for any and all performance required of it under this Agreement, including, but not  
14 limited to, the obligation to properly supervise, coordinate, and perform, all work required hereunder, and no  
15 subcontract shall bind or purport to bind County. Further, County approval of any subcontract shall not be  
16 construed to limit in any way Contractor's performance, obligations, or responsibilities, to County, nor shall  
17 such approval limit in any way any of County's rights or remedies contained in this Agreement. Additionally,  
18 County approval of any subcontract shall not be construed in any way to constitute the determination of the  
19 allowability or appropriateness of any cost or payment under this Agreement.

20           F. In the event that County consents to any subcontracting, such consent shall be subject to  
21 County's right to give prior and continuing approval of any and all subcontractor personnel providing services  
22 under such subcontract. Contractor shall assure that any subcontractor personnel not approved by County  
23 shall be immediately removed from the provision of any services under the particular subcontract or that  
24 other action is taken as requested by County. County shall not be liable or responsible in any way to  
25 Contractor, to any subcontractor, or to any officers, employees, or agents of Contractor or any subcontractor,  
26 for any liability, damages, costs or expenses arising from or related to County's exercise of such right.

27           G. In the event that County consents to any subcontracting, such consent shall be subject to  
28 County's right to terminate, in whole or in part, any subcontract at any time upon written notice to Contractor  
29 when such action is deemed by County to be in its best interest. County shall not be liable or responsible in  
30 any way to Contractor, to any subcontractor, or to any officers, employees, or agents of Contractor or any  
31 subcontractor, for any liability, damages, costs, or expenses arising from or related to County's exercise of  
32 such right.

33           H. In the event that County consents to any subcontracting, each and all of the provisions of  
34 this Agreement and any amendment thereto shall extend to, be binding upon, and inure to the benefit of, the  
35 successors or administrators of the respective parties.

24 services by written notice to the other party and shall become effective (30) days from the date of the  
25 written notice, unless otherwise stated in the termination letter. Any party providing such termination shall  
26 not be liable or responsible for any liability, monetary or otherwise, resulting from any termination, in whole  
27 or in part, of that party's involvement in this Agreement. Termination shall be final and shall release the  
28 party from any further responsibility to provide service under the terms and conditions of this Agreement.

29 29. **TERMINATION FOR INSOLVENCY:**

30 A. County may terminate this Agreement forthwith in the event of the occurrence of any of  
31 the following:

32 (1) Insolvency of Contractor. Contractor shall be deemed to be insolvent if it has  
33 ceased to pay its debts for at least sixty days in the ordinary course of business or cannot pay its debts as

6 and are in addition to any other rights and remedies provided by law or under this Agreement.

7 30.     **TERMINATION FOR DEFAULT:**

8           A.     County may, by written notice of default to Contractor, terminate this Agreement in any  
9 one of the following circumstances:

10          (1)     If, as determined in the sole judgment of County, Contractor fails to perform any  
11 services within the times specified in this Agreement or any extension thereof as County may authorize in  
12 writing; or

13          (2)     If, as determined in the sole judgment of County, Contractor fails to perform  
14 and/or comply with any of the other provisions of this Agreement, or so fails to make progress as to  
15 endanger performance of this Agreement in accordance with its terms, and in either of these two

26 that consideration, in any form, was offered or given by Contractor, either directly or through an  
27 intermediary, to any County officer, employee or agent with the intent of securing the agreement or  
28 securing favorable treatment with respect to the award, amendment or extension of the Agreement or the  
29 making of any determinations with respect to the Contractor's performance pursuant to the Agreement. In  
30 the event of such termination, County shall be entitled to pursue the same remedies against Contractor as  
31 it could pursue in the event of default by the Contractor.

32           Contractor shall immediately report any attempt by a County officer or employee to solicit such  
33 improper consideration. The report shall be made either to the County manager charged with the  
34 supervision of the employee or to the County Auditor-Controller's Employee Fraud Hotline at (213) 974-

2 the provision of travel or entertainment, or tangible gifts.

3 32. **SEVERABILITY:** If any provision of this Agreement or the application thereof to any person or  
4 circumstance is held invalid, the remainder of this Agreement and the application of such provision to  
5 other persons or circumstances shall not be affected thereby.

6 33. **CAPTIONS AND PARAGRAPH HEADINGS:** Captions and paragraph headings used in this  
7 Agreement are for convenience only and are not a part of this Agreement and shall not be used in  
8 construing this Agreement.

9 34. **ALTERATION OF TERMS:** No addition to, or alteration of, the terms of the body of this  
10 Agreement, or the Financial Summary or Service Exhibit(s) hereto, whether by written or oral  
11 understanding of the parties, their officers, employees or agents, shall be valid and effective unless made  
12 in the form of a written amendment to this Agreement which is formally approved and executed by the  
13 parties in the same manner as this Agreement.

14 The County's Board of Supervisors or Chief Executive Officer or designee may require the  
15 addition and/or change of certain terms and conditions in the Agreement during the term of this  
16 Agreement. The County reserves the right to add and/or change such provisions as required by the  
17 County's Board of Supervisors or Chief Executive Officer. To implement such orders, an Amendment to  
18 the Agreement shall be prepared and executed by the Contractor and by the Director of Mental Health.

19 35. **ENTIRE AGREEMENT:** The body of this Agreement; and Exhibits A through H, attached hereto  
20 and incorporated herein by reference; shall constitute the complete and exclusive statement of  
21 understanding between the parties which supersedes all previous agreements, written or oral, and all  
22 other communications between the parties relating to the subject matter of this Agreement. In the event of  
23 any conflict or inconsistency in the definition or interpretation of any word, responsibility, or schedule, or  
24 the contents or description of any service or other work, or otherwise, between the body of this Agreement  
25 and the other referenced documents, or between such other documents, such conflict or inconsistency

1 36. **WAIVER:** No waiver by County of any breach of any provision of this Agreement shall constitute  
2 a waiver of any other breach of such provision. Failure of County to enforce at any time, or from time to  
3 time, any provision of this Agreement shall not be construed as a waiver thereof. The rights and remedies  
4 set forth in this Paragraph 36 shall not be exclusive and are in addition to any other rights and remedies  
5 provided by law or under this Agreement.

6 37. **EMPLOYMENT ELIGIBILITY VERIFICATION:** Contractor warrants that it fully complies with all  
7 Federal statutes and regulations regarding employment of aliens and others and that all its employees  
8 performing services hereunder meet the citizenship or alien status requirements set forth in Federal  
9 statutes and regulations. Contractor shall obtain, from all covered employees performing services  
10 hereunder, all verification and other documentation of employment eligibility status required by Federal  
11 statutes and regulations as they currently exist and as they may be hereafter amended. Contractor shall  
12 retain all such documentation for the period prescribed by law. Contractor shall indemnify, defend, and  
13 hold harmless County, its officers and employees from and against any employer sanctions and any other  
14 liability which may be assessed against Contractor or County in connection with any alleged violation of  
15 any Federal statutes or regulations pertaining to the eligibility for employment of persons performing  
16 services under this Agreement.

18 distributed by Contractor for the purpose of apprising patients/clients and the general public of the nature  
19 of its treatment services, Contractor shall clearly indicate that the services which it provides under this  
20 Agreement are funded by the County of Los Angeles. Contractor shall not distribute any such  
21 announcements and literature without the prior written consent of the Director. Director shall have the  
22 sole and absolute right to grant or deny such consent.

23 39. **AUTHORIZATION WARRANTY:** Contractor represents and warrants that the person executing  
24 this Agreement for Contractor is an authorized agent who has actual authority to bind Contractor to each  
25 and every term, condition, and obligation of this Agreement and that all requirements of Contractor have  
26 been fulfilled to provide such actual authority.

27 40. **RESTRICTIONS ON LOBBYING:** If any Federal funds are to be used to pay for any of  
28 Contractor's services under this Agreement, Contractor shall fully comply with all certification and  
29 disclosure requirements prescribed by Section 319 of Public Law 101-121 (31 United States Code Section

31 under this Agreement also fully complies with all such certification and disclosure requirements.

32 41. **CERTIFICATION OF DRUG-FREE WORK PLACE:** Contractor certifies and agrees that Contractor  
33 and its employees shall comply with DMH's policy of maintaining a drug-free work place. Contractor and its  
34 employees shall not manufacture, distribute, dispense, possess, or use any controlled substances as defined  
35 in 21 United States Code Section 812, including, but not limited to, marijuana, heroin, cocaine, and

1 amphetamines, at any of Contractor's facilities or work sites or County's facilities or work sites. If Contractor

6 in Los Angeles County Code Section 2.160.010, retained by Contractor, shall fully comply with County's  
7 Lobbyist Ordinance, Los Angeles County Code Chapter 2.160. Failure on the part of Contractor or any  
8 County lobbyist or County lobbying firm retained by Contractor to fully comply with County's Lobbyist  
9 Ordinance shall constitute a material breach of this Agreement upon which County may immediately  
10 terminate or suspend this Agreement.

11 43. **MAINTENANCE STANDARDS FOR SERVICE DELIVERY SITES:** Contractor shall assure that  
12 all locations where services are provided under this Agreement are operated at all times in accordance  
13 with all County community standards with regard to property maintenance and repair, graffiti abatement,  
14 refuse removal, fire safety, landscaping, and in full compliance with all applicable local laws, ordinances,  
15 and regulations relating to the property. County's periodic monitoring visits to Contractor's facility(ies) shall  
16 include a review of compliance with this Paragraph 43.

17 44. **CHILD SUPPORT COMPLIANCE PROGRAM:**

18 A. Contractor's Warranty of Adherence to County's Child Support Compliance Program:  
19 Contractor acknowledges that County has established a goal of ensuring that all individuals who benefit  
20 financially from County through contract are in compliance with their court-ordered child, family, and  
21 spousal support obligations in order to mitigate the economic burden otherwise imposed upon County and  
22 its taxpayers.

23 As required by County's Child Support Compliance Program (County Code Chapter 2.200) and  
24 without limiting Contractor's duty under this Agreement to comply with all applicable provisions of law,  
25 Contractor warrants that it is now in compliance and shall during the term of this Agreement maintain  
26 compliance with employment and wage reporting requirements as required by the Federal Social Security  
27 Act (42 USC Section 653a) and California Unemployment Insurance Code Section 1088.5, and shall  
28 implement all lawfully served Wage and Earnings Withholdings Orders or Child Support Services  
29 Department Notices of Wage and Earnings Assignment for Child, Family, or Spousal Support, pursuant to  
30 Code of Civil Procedure Section 706.031 and Family Code Section 5246(b).

31 B. Termination for Breach of Warranty to Maintain Compliance with County's Child Support  
32 Compliance Program: Failure of Contractor to maintain compliance with the requirements set forth in  
33 Subparagraph A (Contractor's Warranty of Adherence to County's Child Support Compliance Program)  
34 shall constitute default under this Agreement. Without limiting the rights and remedies available to County  
35 under any other provision of this Agreement, failure of Contractor to cure such default within 90 calendar

1 days of written notice shall be grounds upon which County may terminate this Agreement pursuant to  
2 Paragraph 30 (TERMINATION FOR DEFAULT) and pursue debarment of Contractor, pursuant to County  
3 Code Chapter 2.202."

4 45. **NOTICE TO EMPLOYEES REGARDING THE FEDERAL EARNED INCOME CREDIT:** Contractor  
5 shall notify its employees, and shall require each subcontractor to notify its employees, that they may be  
6 eligible for the federal Earned Income Credit under the federal income tax laws. Such notice shall be  
7 provided in accordance with the requirements set forth in Internal Revenue Service Notice 1015.

8 46. **USE OF RECYCLED-CONTENT PAPER PRODUCTS:** Consistent with the Board of Supervisors'  
9 policy to reduce the amount of solid waste deposited at the County landfills, the Contractor agrees to use  
10 recycled-content paper to the maximum extent possible on the Project.

11 47. **CONTRACTOR RESPONSIBILITY AND DEBARMENT:**

12 A. A responsible Contractor is a Contractor who has demonstrated the attribute of  
13 trustworthiness, as well as quality, fitness, capacity and experience to satisfactorily perform the contract.  
14 It is the County's policy to conduct business only with responsible contractors.

15 B. The Contractor is hereby notified that, in accordance with Chapter 2.202 of the County  
16 Code, if the County acquires information concerning the performance of the Contractor on this or other  
17 Agreements which indicates that the Contractor is not responsible, the County may, in addition to other  
18 remedies provided in the Agreement, debar the Contractor from bidding or proposing on, or being  
19 awarded, and/or performing work on County Agreements for a specified period of time, which generally  
20 will not exceed five years but may exceed five years or be permanent if warranted by the circumstances,  
21 and terminate any or all existing Agreements the Contractor may have with the County.

22 C. The County may debar a Contractor if the Board of Supervisors finds, in its discretion, that  
23 the Contractor has done any of the following: (1) violated a term of an Agreement with the County or a  
24 nonprofit corporation created by the County; (2) committed an act or omission which negatively reflects on  
25 the Contractor's quality, fitness or capacity to perform a contract with the County, any other public entity,  
26 or a nonprofit corporation created by the County, or engaged in a pattern or practice which negatively  
27 reflects on same; (3) committed an act or offense which indicates a lack of business integrity or business  
28 honesty; or (4) made or submitted a false claim against the County or any other public entity.

29 D. If there is evidence that the Contractor may be subject to debarment, the Department will  
30 notify the Contractor in writing of the evidence which is the basis for the proposed debarment and will  
31 advise the Contractor of the scheduled date for a debarment hearing before the Contractor Hearing  
32 Board.

33 E. The Contractor Hearing Board will conduct a hearing where evidence on the proposed  
34 debarment is presented. The Contractor and/or the Contractor's representative shall be given an  
35 opportunity to submit evidence at that hearing. After the hearing, the Contractor Hearing Board shall

1 prepare a tentative proposed decision, which shall contain a recommendation regarding whether the  
2 contractor should be debarred, and, if so, the appropriate length of time of the debarment. The Contractor  
3 and the Department shall be provided an opportunity to object to the tentative proposed decision prior to  
4 its presentation to the Board of Supervisors.

5 F. After consideration of any objections, or if no objections are submitted, a record of the  
6 hearing, the proposed decision and any other recommendation of the Contractor Hearing Board shall be  
7 presented to the Board of Supervisors. The Board of Supervisors shall have the right to modify, deny or  
8 adopt the proposed decision and recommendation of the Hearing Board.

9 G. If a Contractor has been debarred for a period longer than five years, that Contractor may,  
10 after the debarment has been in effect for at least five years, submit a written request for review of the  
11 debarment determination to reduce the period of debarment or terminate the debarment. The County  
12 may, in its discretion, reduce the period of debarment or terminate the debarment if it finds that the  
13 Contractor has adequately demonstrated one or more of the following: (1) elimination of the grounds for  
14 which the debarment was imposed; (2) a bona fide change in ownership or management; (3) material  
15 evidence discovered after debarment was imposed; or (4) any other reason that is in the best interest of  
16 the County.

17 H. The Contractor Hearing Board will consider a request for review of a debarment  
18 determination only where (1) the Contractor has been debarred for a period longer than five years; (2) the  
19 debarment has been in effect for at least five years; and (3) the request is in writing, states one or more of  
20 the grounds for reduction of the debarment period or termination of the debarment, and includes  
21 supporting documentation. Upon receiving an appropriate request, the Contractor Hearing Board will  
22 provide notice of the hearing on the request. At the hearing, the Contractor Hearing Board shall conduct a  
23 hearing where evidence on the proposed reduction of debarment period or termination of debarment is  
24 presented. This hearing shall be conducted and the request for review decided by the Contractor Hearing  
25 Board pursuant to the same procedures as for a debarment hearing.

26 I. The Contractor Hearing Board's proposed decision shall contain a recommendation on  
27 the request to reduce the period of debarment or terminate the debarment. The Contractor Hearing Board  
28 shall present its proposed decision and recommendation to the Board of Supervisors. The Board of  
29 Supervisors shall have the right to modify, deny, or adopt the proposed decision and recommendation of  
30 the Contractor Hearing Board.

31 J. These terms shall also apply to subcontractors of County Contractors.

32 48. **CERTIFICATION REGARDING DEBARMENT, SUSPENSION, INELIGIBILITY AND**  
33 **VOLUNTARY EXCLUSION – LOWER TIER COVERED TRANSACTION (45 C.F.R. PART 76):**

34 Contractor hereby acknowledges that the County is prohibited from contracting with and making sub-  
35 awards to parties that are suspended, debarred, ineligible, or excluded or whose principals are

1 suspended, debarred, ineligible, or excluded from securing federally funded contracts. By executing this  
2 Agreement, Contractor certifies that neither it nor any of its owners, officers, partners, directors or other  
3 principals is currently suspended, debarred, ineligible, or excluded from securing federally funded  
4 contracts. Further, by executing this Agreement, Contractor certifies that, to its knowledge, none of its  
5 subcontractors, at any tier, or any owner, officer, partner, director or other principal of any subcontractor is  
6 currently suspended, debarred, ineligible, or excluded from securing federally funded contracts. Contractor  
7 shall immediately notify County in writing, during the term of this Agreement, should it or any of its  
8 subcontractors or any principals of either be suspended, debarred, ineligible, or excluded from securing  
9 federally funded contracts. Failure of Contractor to comply with this provision shall constitute a material  
10 breach of this Agreement upon which the County may immediately terminate or suspend this Agreement.

11 49. **CONTRACTOR'S EXCLUSION FROM PARTICIPATION IN A FEDERALLY FUNDED**  
12 **PROGRAM**: Contractor hereby warrants that neither it nor any of its staff members is restricted or  
13 excluded from providing services under any health care program funded by the Federal government,  
14 directly or indirectly, in whole or in part, and that Contractor will notify Director within 30 calendar days in  
15 writing of: (1) any event that would require Contractor or a staff member's mandatory exclusion from  
16 participation in a Federally funded health care program; and (2) any exclusionary action taken by any  
17 agency of the Federal government against Contractor or one or more staff members barring it or the staff  
18 members from participation in a Federally funded health care program, whether such bar is direct or  
19 indirect, or whether such bar is in whole or in part.

20 There are a variety of different reasons why an individual or entity may be excluded from  
21 participating in a Federally funded health care program. Sometimes, the exclusion is mandatory and in  
22 other cases the Office of Inspector General (OIG) has the discretion not to exclude.

23 The mandatory bases for exclusion include: (1) felony convictions for program related crimes,  
24 including fraud or false claims, or for offenses related to the dispensing or use of controlled substances, or  
25 (2) convictions related to patient abuse.

26 Permissive exclusions may be based on: (1) conviction of a misdemeanor related to fraud or  
27 financial misconduct involving a government program; (2) obstructing an investigation; (3) failing to  
28 provide access to documents or premises as required by federal health care program officials; (4)  
29 conviction of a misdemeanor related to controlled substances; (5) failing to disclose information about the  
30 entity itself, its subcontractors or its significant business transactions; (6) loss of a state license to practice  
31 a health care profession; (7) default on a student loan given in connection with education in a health  
32 profession; (8) charging excessive amounts to a Federally funded health care program or furnishing  
33 services of poor quality or which are substantially in excess of the needs of the patients; (9) paying a  
34 kickback or submitting a false or fraudulent claim. Persons controlling or managing excluded entities who  
35 knew of the conduct leading to the exclusion can themselves be excluded, and entities which are owned

1 and controlled by excluded individuals can also be excluded. Contractor shall indemnify and hold County  
2 harmless against any and all loss or damage County may suffer arising from any Federal exclusion of  
3 Contractor or its staff members from such participation in a Federally funded health care program.  
4 Contractor shall provide the certification set forth in Exhibit F as part of its obligation under this  
5 Paragraph 49.

6 Failure by Contractor to meet the requirements of this Paragraph 49 shall constitute a material  
7 breach of Agreement upon which County may immediately terminate or suspend this Agreement.

8 **50. CONTRACTOR'S OBLIGATION AS A BUSINESS ASSOCIATE UNDER THE HEALTH**

9 **INSURANCE PORTABILITY AND ACCOUNTABILITY ACT OF 1996:** Under this Agreement,  
10 Contractor ("Business Associate") provides services ("Services") to County ("Covered Entity") and  
11 Business Associate receives, has access to, or creates Protected Health Information in order to provide  
12 those Services. Covered Entity is subject to the Administrative Simplification requirements of the Health  
13 Insurance Portability and Accountability Act of 1996 ("HIPAA"), and regulations promulgated thereunder,  
14 including the Standards for Privacy of Individually Identifiable Health Information ("the Privacy  
15 Regulations") and the Health Insurance Reform: Security Standards ("the Security Regulations") at 45  
16 Code of Federal Regulations Parts 160 and 164 ("together, the "Privacy and Security Regulations").

17 The Privacy and Security Regulations require Covered Entity to enter into a contract with Business  
18 Associate in order to mandate certain protections for the privacy and security of Protected Health  
19 Information, and those Regulations prohibit the disclosure to or use of Protected Health Information by  
20 Business Associate if such a contract is not in place.

21 Therefore, the parties agree as follows:

22 **DEFINITIONS**

23 1.1 "Disclose" or "Disclosure" means, with respect to Protected Health Information, the  
24 release, transfer, provision of access to, or divulging in any other manner of Protected Health Information  
25 outside Business Associate's internal operations or to other than its employees.

26 1.2 "Electronic Media" has the same meaning as the term "electronic media" in 45 C.F.R. §  
27 160.103. Electronic Media means (1) Electronic storage media including memory devices in computers  
28 (hard drives) and any removable/transportable digital memory medium, such as magnetic tape or disk,  
29 optical disk, or digital memory card; or (2) Transmission media used to exchange information already in  
30 electronic storage media. Transmission media include, for example, the internet (wide-open), extranet  
31 (using internet technology to link a business with information accessible only to collaborating parties),  
32 leased lines, dial-up lines, private networks, and the physical movement of removable/transportable  
33 electronic storage media. Certain transmissions, including of paper, via facsimile, and of voice, via  
34 telephone, are not considered to be transmissions via electronic media, because the information being  
35 exchanged did not exist in electronic form before the transmission.

1           1.3    "Electronic Protected Health Information" has the same meaning as the term "electronic  
2 protected health information" in 45 C.F.R. § 160.103. Electronic Protected Health Information means  
3 Protected Health Information that is (i) transmitted by electronic media; (ii) maintained in electronic media.

4           1.4    "Individual" means the person who is the subject of Protected Health Information and  
5 shall include a person who qualifies as a personal representative in accordance with 45 C.F.R. §  
6 164.502(g).

7           1.5    "Protected Health Information" has the same meaning as the term "protected health  
8 information" in 45 C.F.R. § 160.103, limited to the information created or received by Business Associate  
9 from or on behalf of Covered Entity. Protected Health Information includes information, whether oral or  
10 recorded in any form or medium, that (i) relates to the past, present, or future physical or mental health or  
11 condition of an Individual; the provision of health care to an Individual, or the past, present or future  
12 payment for the provision of health care to an Individual; (ii) identifies the Individual (or for which there is a  
13 reasonable basis for believing that the information can be used to identify the Individual); and (iii) is  
14 received by Business Associate from or on behalf of Covered Entity, or is created by Business Associate,  
15 or is made accessible to Business Associate by Covered Entity. "Protected Health Information" includes  
16 Electronic Health Information.

17           1.6    "Required By Law" means a mandate contained in law that compels an entity to make a  
18 Use or Disclosure of Protected Health Information and that is enforceable in a court of law. Required by  
19 law includes, but is not limited to, court orders and court-ordered warrants; subpoenas or summons issued  
20 by a court, grand jury, a governmental or tribal inspector general, or any administrative body authorized to  
21 require the production of information; a civil or an authorized investigative demand; Medicare conditions of  
22 participation with respect to health care providers participating in the program; and statutes or regulations  
23 that require the production of information, including statutes or regulations that require such information if  
24 payment is sought under a government program providing benefits.

25           1.7    "Security Incident" means the attempted or successful unauthorized access, Use,  
26 Disclosure, modification, or destruction of information in, or interference with system operations of, an  
27 Information System which contains Electronic Protected Health Information. However, Security Incident  
28 does not include attempts to access an Information System when those attempts are not reasonably  
29 considered by Business Associate to constitute an actual threat to the Information System.

30           1.8    "Services" has the same meaning as in the body of this Agreement.

31           1.9    "Use" or "Uses" means, with respect to Protected Health Information, the sharing,  
32 employment, application, utilization, examination or analysis of such Information within Business  
33 Associate's internal operations.

34           1.10   Terms used, but not otherwise defined in this Paragraph 50 shall have the same  
35 meaning as those terms in the HIPAA Regulations.

1 **OBLIGATIONS OF BUSINESS ASSOCIATE**

2 2.1 Permitted Uses and Disclosures of Protected Health Information. Business Associate:

15 minimum necessary in accordance with the Privacy Regulation's minimum necessary standard.

16 (b) effective as of April 20, 2005, specifically as to Electronic Health Information, shall

19 Information.

20 2.3 Reporting Non-Permitted Use or Disclosure and Security Incidents. Business Associate

21 shall report to Covered Entity each Use or Disclosure that is made by Business Associate, its employees,  
22 representatives, agents or subcontractors but is not specifically permitted by this Agreement, and effective

24 becomes aware. The initial report shall be made by telephone call to the Department of Mental Health's  
25 Privacy Officer, telephone number 1(213) 738-4864 within forty-eight (48) hours from the time the  
26 Business Associate becomes aware of the non-permitted Use or Disclosure or Security Incident, followed  
27 by a full written report no later than ten (10) business days from the date the Business Associate becomes  
28 aware of the non-permitted Use or Disclosure or Security Incident to the Chief Privacy Officer at:

29 Chief Privacy Officer, County of Los Angeles

34 2.4 Mitigation of Harmful Effect. Business Associate agrees to mitigate, to the extent  
35 practicable, any harmful effect that is known to Business Associate of a Use or Disclosure of Protected

1 Health Information by Business Associate in violation of the requirements of this Paragraph 50.

2           2.5     Availability of Internal Practices, Books and Records to Government Agencies. Business  
3 Associate agrees to make its internal practices, books, and records relating to the Use and Disclosure of  
4 Protected Health Information available to the Secretary of the federal Department of Health and Human  
5 Services for purposes of determining Covered Entity's compliance with the Privacy and Security  
6 Regulations. Business Associate shall immediately notify Covered Entity of any requests made by the  
7 Secretary and provide Covered Entity with copies of any documents produced in response to such  
8 request.

9           2.6     Access to Protected Health Information. Business Associate shall, to the extent Covered  
10 Entity determines that any Protected Health Information constitutes a "designated record set" as defined  
11 by 45 C.F.R. § 164.501, make the Protected Health Information specified by Covered Entity available to  
12 the Individual(s) identified by Covered Entity as being entitled to access and copy that Protected Health  
13 Information. Business Associate shall provide such access for inspection of that Protected Health  
14 Information within two (2) business days after receipt of request from Covered Entity. Business Associate  
15 shall provide copies of that Protected Health Information within five (5) business days after receipt of  
16 request from Covered Entity.

17           2.7     Amendment of Protected Health Information. Business Associate shall, to the extent  
18 Covered Entity determines that any Protected Health Information constitutes a "designated record set" as  
19 defined by 45 C.F.R. § 164.501, make any amendments to Protected Health Information that are  
20 requested by Covered Entity. Business Associate shall make such amendment within ten (10) business  
21 days after receipt of request from Covered Entity in order for Covered Entity to meet the requirements  
22 under 45 C.F.R. § 164.526.

23           2.8     Accounting of Disclosures. Business Associate agrees to maintain documentation of the  
24 information required to provide an accounting of Disclosures of Protected Health Information in  
25 accordance with 45 C.F.R. § 164.528, and to make this information available to Covered Entity upon  
26 Covered Entity's request, in order to allow Covered Entity to respond to an Individual's request for  
27 accounting of disclosures. However, Business Associate is not required to provide an accounting of  
28 Disclosures that are necessary to perform its Services if such Disclosures are for either payment or health  
29 care operations purposes, or both. Additionally, such accounting is limited to disclosures that were made  
30 in the six (6) years prior to the request (not including disclosures that were made prior to the compliance  
31 date of the Privacy Rule, April 14, 2003) and shall be provided for as long as Business Associate  
32 maintains the Protected Health Information.

33           Any accounting provided by Business Associate under this Section 2.8 shall include: (a) the date  
34 of the Disclosure; (b) the name, and address if known, of the entity or person who received the Protected  
35 Health Information; (c) a brief description of the Protected Health Information disclosed; and (d) a brief

1 statement of the purpose of the Disclosure. For each Disclosure that could require an accounting under  
2 this Section 2.8, Business Associate shall document the information specified in (a) through (d), above,  
3 and shall securely maintain the information for six (6) years from the date of the Disclosure. Business  
4 Associate shall provide to Covered Entity, within ten (10) business days after receipt of request from  
5 Covered Entity, information collected in accordance with this Section 2.8 to permit Covered Entity to  
6 respond to a request by an Individual for an accounting of disclosures of Protected Health Information in  
7 accordance with 45 C.F.R. § 164.528.

#### 8 **OBLIGATION OF COVERED ENTITY**

9 3.1 Obligation of Covered Entity. Covered Entity shall notify Business Associate of any  
10 current or future restrictions or limitations on the use of Protected Health Information that would affect  
11 Business Associate's performance of the Services, and Business Associate shall thereafter restrict or limit  
12 its own uses and disclosures accordingly.

#### 13 **TERM AND TERMINATION**

14 4.1 Term. The term of this Paragraph 50 shall be the same as the term of this Agreement.  
15 Business Associate's obligations under Sections 2.1 (as modified by Section 4.2), 2.3, 2.4, 2.5, 2.6, 2.7,  
16 2.8, 4.3 and 5.2 shall survive the termination or expiration of this Agreement.

17 4.2 Termination for Cause. In addition to and notwithstanding the termination provisions set  
18 forth in this Paragraph, upon Covered Entity's knowledge of a material breach by Business Associate,  
19 Covered Entity shall either:

20 (a) Provide an opportunity for Business Associate to cure the breach or end the violation  
21 and terminate this Agreement if Business Associate does not cure the breach or end the violation within  
22 the time specified by Covered Entity;

23 (b) Immediately terminate this Agreement if Business Associate has breached a material  
24 term of this Paragraph 50 and cure is not possible; or

25 (c) If neither termination nor cure is feasible, Covered Entity shall report the violation to  
26 the Secretary of the federal Department of Health and Human Services.

27 4.3 Disposition of Protected Health Information Upon Termination or Expiration.

28 (a) Except as provided in paragraph (b) of this section, upon termination for any reason or  
29 expiration of this Agreement, Business Associate shall return or destroy all Protected Health Information  
30 received from Covered Entity, or created or received by Business Associate on behalf of Covered Entity.  
31 This provision shall apply to Protected Health Information that is in the possession of subcontractors or  
32 agents of Business Associate. Business Associate shall retain no copies of the Protected Health  
33 Information.

34 (b) In the event that Business Associate determines that returning or destroying the  
35 Protected Health Information is infeasible, Business Associate shall provide to Covered Entity notification

1 of the conditions that make it infeasible. If return or destruction is infeasible, Business Associate shall  
2 extend the protections of this Agreement to such Protected Health Information and limit further Uses and  
3 Disclosures of such Protected Health Information to those purposes that make the return or destruction  
4 infeasible, for so long as Business Associate maintains such Protected Health Information.

5 **MISCELLANEOUS**

6 5.1 No Third Party Beneficiaries. Nothing in this Paragraph 50 shall confer upon any person  
7 other than the parties and their respective successors or assigns, any rights, remedies, obligations, or  
8 liabilities whatsoever.

9 5.2 Use of Subcontractors and Agents. Business Associate shall require each of its agents  
10 and subcontractors that receive Protected Health Information from Business Associate, or create  
11 Protected Health Information for Business Associate, on behalf of Covered Entity, to execute a written  
12 agreement obligating the agent or subcontractor to comply with all the terms of this Paragraph 50.

13 5.3 Relationship to Services Agreement Provisions. In the event that a provision of this  
14 Paragraph 50 is contrary to another provision of this Agreement, the provision of this Paragraph 50 shall  
15 control. Otherwise, this Paragraph 50 shall be construed under, and in accordance with, the terms of this  
16 Agreement.

17 5.4 Regulatory References. A reference in this Paragraph 50 to a section in the Privacy or  
18 Security Regulations means the section as in effect or as amended.

19 5.5 Interpretation. Any ambiguity in this Paragraph 50 shall be resolved in favor of a meaning  
20 that permits Covered Entity to comply with the Privacy and Security Regulations.

21 5.6 Amendment. The parties agree to take such action as is necessary to amend this  
22 Paragraph from time to time as is necessary for Covered Entity to comply with the requirements of the  
23 Privacy and Security Regulations.

24 51. **COMPLIANCE WITH JURY SERVICE PROGRAM:**

25 A. Jury Service Program: This Agreement is subject to the provisions of the County's  
26 ordinance entitled Contractor Employee Jury Service ("Jury Service Program") as codified in Sections  
27 2.203.010 through 2.203.090 of the Los Angeles County Code.

28 B. Written Employee Jury Service Policy:

29 (1) Unless Contractor has demonstrated to the County's satisfaction either that  
30 Contractor is not a "Contractor" as defined under the Jury Service Program (Section 2.203.020 of the  
31 County Code) or that Contractor qualifies for an exception to the Jury Service Program (Section 2.203.070  
32 of the County Code), Contractor shall have and adhere to a written policy that provides that its Employees  
33 shall receive from the Contractor, on an annual basis, no less than five days of regular pay for actual jury  
34 service. The policy may provide that Employees deposit any fees received for such jury service with the  
35 Contractor or that the Contractor deduct from the Employee's regular pay the fees received for jury

1 service.

2 (2) For purposes of this Section, "Contractor" means a person, partnership, corporation  
3 or other entity which has an Agreement with the County or a subcontract with a County Contractor and has  
4 received or will receive an aggregate sum of \$50,000 or more in any 12-month period under one or more  
5 County Agreements or subcontracts. "Employee" means any California resident who is a full-time employee  
6 of Contractor. "Full-time" means 40 hours or more worked per week or a lesser number of hours if: 1) the  
7 lesser number is a recognized industry standard as determined by the County, or 2) Contractor has a long-  
8 standing practice that defines the lesser number of hours as full-time. Full-time employees providing short-  
9 term, temporary services of 90 days or less within a 12-month period are not considered full-time for  
10 purposes of the Jury Service Program. If Contractor uses any subcontractor to perform services for the  
11 County under the Agreement, the subcontractor shall also be subject to the provisions of this Section. The  
12 provisions of this Section shall be inserted into any such subcontract Agreement and a copy of the Jury  
13 Service Program shall be attached to the Agreement.

14 (3) If Contractor is not required to comply with the Jury Service Program when the  
15 Agreement commences, Contractor shall have a continuing obligation to review the applicability of its  
16 "exception status" from the Jury Service Program, and Contractor shall immediately notify County if  
17 Contractor at any time either comes within the Jury Service Program's definition of "Contractor" or if  
18 Contractor no longer qualifies for an exception to the Program. In either event, Contractor shall immediately  
19 implement a written policy consistent with the Jury Service Program. The County may also require, at any  
20 time during the Agreement and at its sole discretion, that Contractor demonstrate to the County's satisfaction  
21 that Contractor either continues to remain outside of the Jury Service Program's definition of "Contractor"  
22 and/or that Contractor continues to qualify for an exception to the Program.

23 (4) Contractor's violation of this section of the Agreement may constitute a material  
24 breach of the Agreement. In the event of such material breach, County may, in its sole discretion, terminate  
25 the Agreement and/or bar Contractor from the award of future County Agreements for a period of time  
26 consistent with the seriousness of the breach.

27 52. **NOTICE TO EMPLOYEES REGARDING THE SAFELY SURRENDERED BABY LAW:** The  
28 Contractor shall notify and provide to its employees, and shall require each subcontractor to notify and  
29 provide to its employees, a fact sheet regarding the Safely Surrendered Baby Law, its implementation in  
30 Los Angeles County, and where and how to safely surrender a baby. The fact sheet is set forth in  
31 Exhibit E of this Agreement and is also available on the Internet at [www.babysafela.org](http://www.babysafela.org) for printing  
32 purposes.

33 53. **CONTRACTOR'S ACKNOWLEDGEMENT OF COUNTY'S COMMITMENT TO THE SAFELY**  
34 **SURRENDERED BABY LAW:** The Contractor acknowledges that the County places a high priority on the  
35 implementation of the Safely Surrendered Baby Law. The Contractor understands that it is the County's

1 policy to encourage all County Contractors to voluntarily post the County's "Safely Surrendered Baby Law"  
2 poster in a prominent position at the Contractor's place of business. The Contractor will also encourage its  
3 subcontractors, if any, to post this poster in a prominent position in the subcontractor's place of business.  
4 The County's Department of Children and Family Services will supply the Contractor with the poster to be  
5 used.

6 **54. CONTRACTOR'S CHARITABLE ACTIVITIES COMPLIANCE:** The Supervision of Trustees and  
7 Fundraisers for Charitable Purposes Act regulates entities receiving or raising charitable contributions. The  
8 "Nonprofit Integrity Act of 2004 (SB 1262, Chapter 919) increased Charitable Purposes Act requirements. By  
9 requiring Contractors to complete the certification in Exhibit G, the County seeks to ensure that all County  
10 contractors which receive or raise charitable contributions comply with California law in order to protect the  
11 County and its taxpayers. A Contractor which received or raises charitable contributions without complying  
12 with its obligations under California law commits a material breach subjecting it to either contract termination  
13 or debarment proceedings or both. (County Code Chapter 2.202).

14 **55. COUNTY'S OBLIGATION FOR CURRENT AND FUTURE FISCAL YEARS:**  
15 Notwithstanding any other provision of this Agreement, this Agreement shall not be effective and binding  
16 upon the parties unless and until County's Board of Supervisors appropriates funds for purposes hereof in  
17 County's Budget for County's current Fiscal Year. Further, County shall not be obligated for Contractor's  
18 performance hereunder or by any provision of this Agreement during any of County's future Fiscal Years  
19 unless and until County's Board of Supervisors appropriates funds for purposes hereof in County's Budget  
20 for each such future Fiscal Year. In the event that funds are not appropriated for this Agreement, then this  
21 Agreement shall terminate as of June 30 of the last Fiscal Year for which funds were appropriated.

22 **56. PERFORMANCE STANDARDS AND OUTCOME MEASURES:** The Contractor shall comply  
23 with all applicable Federal, State, and County policies and procedures relating to performance standards  
24 and outcome measures. This is applicable whenever specific Federal or State funding, which has policies  
25 or procedures for performance standards and/or outcome measures has been included as part of the  
26 Contractor's contract and shall apply for all County policies, procedures, or departmental bulletins  
27 approved by the Director or his designee for performance standards and/or outcome measures. County  
28 will notify Contractor whenever County policies or procedures are to apply to this contract provision (e.g.,  
29 AB 2034 grant) at least, where feasible, 30 calendar days prior to implementation.

30 These Federal, State or County performance standards and/or outcome measures will be used as  
31 part of the determination of the effectiveness of the services delivered by the Contractor.

32 **57. LOCAL SMALL BUSINESS ENTERPRISE PREFERENCE PROGRAM:**  
33 This contract is subject to all provisions of the County's ordinance entitled Local Small Business  
34 Enterprise Preference Program, as codified in Chapter 2.204 of the Los Angeles County Code.  
35 Specifically, Contractor shall pay particular attention to the following provisions in Chapter 2.204:

1 Contractor shall not knowingly and with the intent to defraud, fraudulently obtain, retain, attempt to  
2 obtain or retain, or aid another in fraudulently obtaining or retaining or attempting to obtain or retain  
3 certification as a Local Small Business Enterprise.

4 Contractor shall not willfully and knowingly make a false statement with the intent to defraud, whether by  
5 affidavit, report, or other representation, to a County official or employee for the purpose of influencing the  
6 certification or denial of certification of any entity as a Local Small Business Enterprise.

7 If Contractor has obtained certification as a Local Small Business Enterprise by reason of having  
8 furnished incorrect supporting information or by reason of having withheld information, and which knew, or  
9 should have known, the information furnished was incorrect or the information withheld was relevant to its  
10 request for certification, and which by reason of such certification has been awarded this contract to which  
11 it would not otherwise have been entitled, shall:

12 1. Pay to the County any difference between the contract amount and what the  
13 County's costs would have been if the contract had been properly awarded;

14 2. In addition to the amount described in subdivision (1), be assessed a penalty in  
15 an amount of not more than 10 percent (10%) of the amount of the contract; and

16 3. Be subject to the provisions of Chapter 2.202 of the Los Angeles County Code  
17 (Determinations of Contractor Non-responsibility and Contractor Debarment).

18 The above penalties shall also apply to any Contractor that has previously obtained proper  
19 certification, however, as a result of a change in their status would no longer be eligible for certification,  
20 and fails to notify the State and the Office of Affirmative Action Compliance (OAAC) of this information  
21 prior to responding to a solicitation or accepting a contract award.

22 58. **FORCE MAJEURE:**

23 Neither party shall be liable for such party's failure to perform its obligations under and in accordance  
24 with this Contract, if such failure arises out of fires, floods, epidemics, quarantine restrictions, other natural  
25 occurrences, strikes, lockouts (other than a lockout by such party or any of such party's subcontractors),  
26 freight embargoes, or other similar events to those described above, but in every such case the failure to  
27 perform must be totally beyond the control and without any fault or negligence of such party (such events are  
28 referred to in this subparagraph as "force majeure events").

29 Notwithstanding the foregoing, a default by a subcontractor of Contractor shall not constitute a force  
30 majeure event, unless such default arises out of causes beyond the control of both Contractor and such  
31 subcontractor, and without any fault or negligence of either of them. In such case, Contractor shall not be  
32 liable for failure to perform, unless the goods or services to be furnished by the subcontractor were  
33 obtainable from other sources in sufficient time to permit Contractor to meet the required performance  
34 schedule. As used in this subparagraph, the term "subcontractor" and "subcontractors" mean subcontractors  
35 at any tier.

1 In the event Contractor's failure to perform arises out of a force majeure event, Contractor agrees to  
2 use commercially reasonable best efforts to obtain goods or services from other sources, if applicable, and to  
3 otherwise mitigate the damages and reduce the delay caused by such force majeure event.

4 59. **NOTICES:** All notices or demands required or permitted to be given under this Agreement shall  
5 be in writing and shall be hand delivered with signed receipt or mailed by first class, registered or certified  
6 mail, postage pre-paid, addressed to the parties at the following addresses and to the attention of the  
7 persons named. Director shall have the authority to execute all notices or demands which are required or  
8 permitted by County under this Agreement. Addresses and persons to be notified may be changed by  
9 either party by giving ten days prior written notice thereof to the other party.

**FISCAL YEARS 2009-10, 2010-11, AND 2011-12**

**1. Overview**

Step-Out, a Transitional Housing Program (THP), is a collaborative effort between A Community of Friends (ACOF) and the Los Angeles County Departments of Children and Family Services (DCFS), Probation, and Mental Health (DMH) to provide housing and supportive services to seriously emotionally disturbed (SED) young adults, ages 18-21, who are exiting DCFS or Probation foster care and are at risk of becoming homeless. The primary goal of the THP is to assist these high-risk young adults in obtaining and remaining in secure housing, increasing their living skills and income levels, achieving greater independence through self-sufficiency, and readiness for permanent housing upon completion of the THP. Notwithstanding special circumstances, the maximum stay in the program is 18 months or the date of the young adult's 21<sup>st</sup> birthday, whichever comes first.

**2. Location**

The Step-Out Project is operated by ACOF at an apartment complex located at 2010 E. El Segundo Boulevard, Compton, CA 90222.

**3. Scope of Work**

No shame. No blame. No names.

# Safely Surrendered Baby Law

## What is the Safely Surrendered Baby Law?

### How does it work?

A distressed parent who is unable or unwilling to care for a baby can legally, confidentially, and safely surrender a baby within three days (72 hours) of birth. The baby must be handed to an employee at a hospital or fire station in Los Angeles County. As long as the baby shows no sign of abuse or neglect, no name or other information is required. In case the parent changes his or her mind at a later date and wants the baby back, staff will use bracelets to help connect them to each other. One bracelet will be placed on the baby, and a matching bracelet will be given to the parent or other surrendering adult.

### What if a parent wants the baby back?

Parents who change their minds can begin the process of reclaiming their baby within 14 days. These parents should call the Los Angeles County Department of Children and Family Services at 1-800-540-4000.

### Can only a parent bring in the baby?

No. While in most cases a parent will bring in the baby, the Law allows other people to bring in the baby if they have lawful custody.

### Does the parent or surrendering adult have to call before bringing in the baby?

No. A parent or surrendering adult can bring in a baby anytime, 24 hours a day, 7 days a week, as long as the parent or surrendering adult surrenders the baby to someone who works at the hospital or fire station.

### Does the parent or surrendering adult have to tell anything to the people taking the baby?

No. However, hospital or fire station personnel will ask the surrendering party to fill out a questionnaire designed to gather important medical history information, which is very useful in caring for the baby. The questionnaire includes a stamped return envelope and can be sent in at a later time.

### What happens to the baby?

The baby will be examined and given medical treatment. Upon release from the hospital, social workers immediately place the baby in a safe and loving home and begin the adoption process.

### What happens to the parent or surrendering adult?

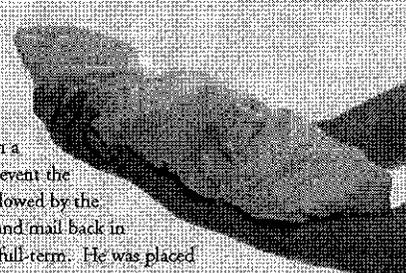

Once the parent or surrendering adult surrenders the baby to hospital or fire station personnel, they may leave at any time.

### Why is California doing this?

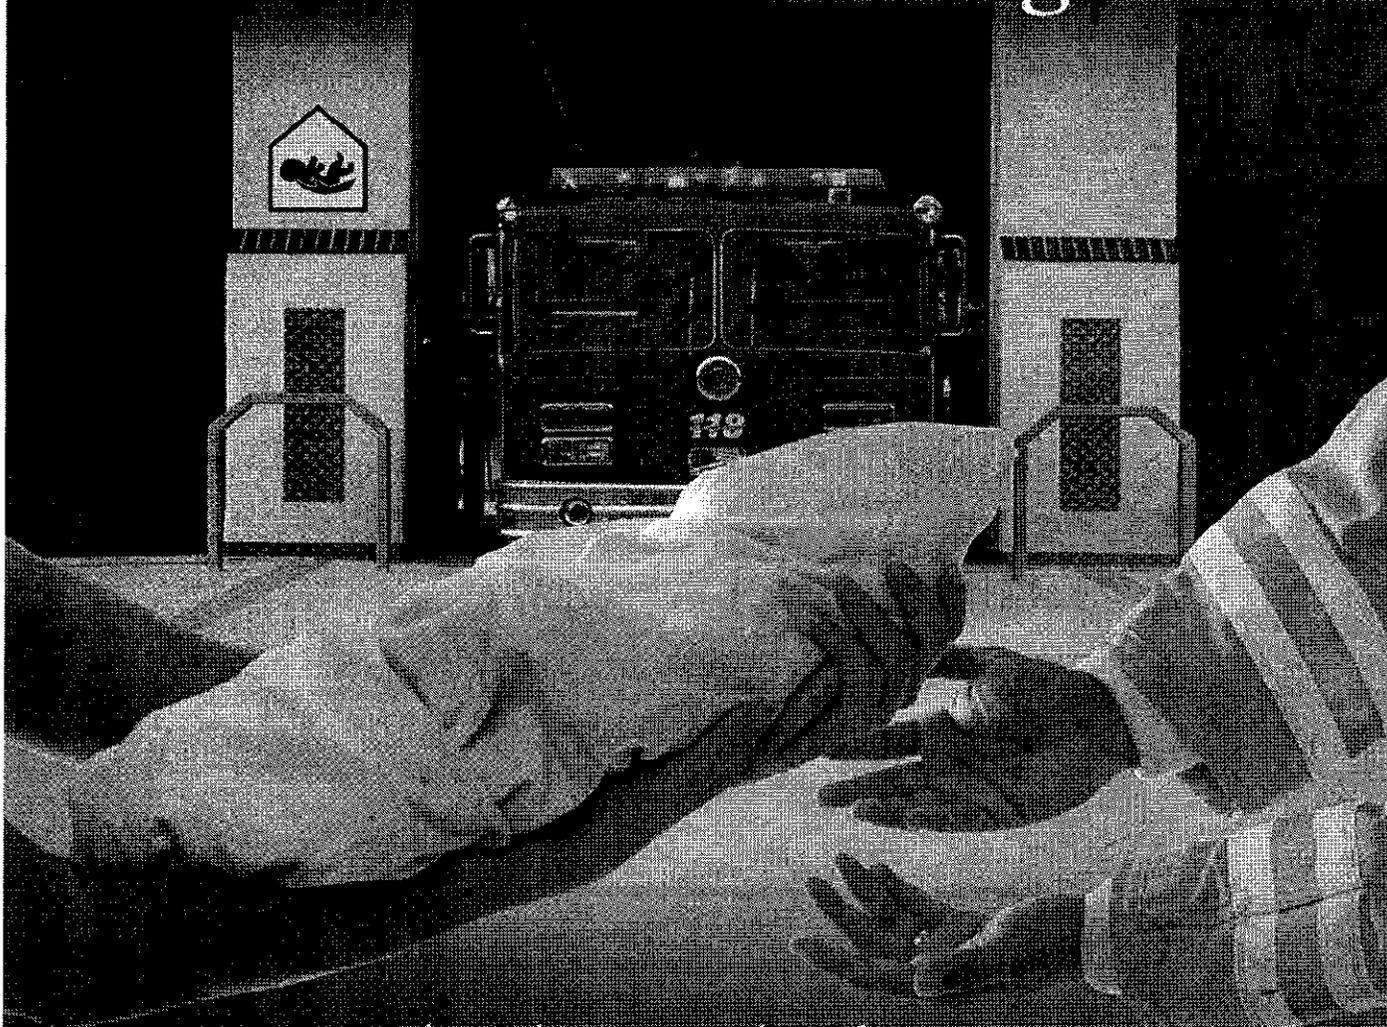

The purpose of the Safely Surrendered Baby Law is to protect babies from being abandoned, hurt or killed by their parents. You may have heard tragic stories of babies left in dumpsters or public bathrooms. Their parents may have been under severe emotional distress. The mothers may have hidden their pregnancies, fearful of what would happen if their families found out. Because they were afraid and had no one or nowhere to turn for help, they abandoned their babies. Abandoning a baby is illegal and places the baby in extreme danger. Too often, it results in the baby's death. The Safely Surrendered Baby Law prevents this tragedy from ever happening again in California.

## A baby's story

Early in the morning on April 9, 2005, a healthy baby boy was safely surrendered to nurses at Harbor-UCLA Medical Center. The woman who brought the baby to the hospital identified herself as the baby's aunt and stated the baby's mother had asked her to bring the baby to the hospital on her behalf. The aunt was given a bracelet with a number matching the anklet placed on the baby; this would provide some identification in the event the mother changed her mind about surrendering the baby and wished to reclaim the baby in the 14-day period allowed by the Law. The aunt was also provided with a medical questionnaire and said she would have the mother complete and mail back in the stamped return envelope provided. The baby was examined by medical staff and pronounced healthy and full-term. He was placed with a loving family that had been approved to adopt him by the Department of Children and Family Services.

# *Ley de* Entrega de Bebés *Sin Peligro*

*Los recién nacidos pueden ser entregados en forma segura al personal de cualquier hospital o cuartel de bomberos del Condado de Los Ángeles*

**Sin pena. Sin culpa. Sin nombres.**

# Ley de Entrega de Bebés Sin Peligro

## ¿Qué es la Ley de Entrega de Bebés sin Peligro?

*Cada recién nacido se merece la oportunidad de tener una vida saludable. Si alguien que usted conoce está pensando en abandonar a un recién nacido, infórmele que tiene otras opciones. Hasta tres días (72 horas) después del nacimiento, se puede entregar un recién nacido al personal de cualquier hospital o cuartel de bomberos del condado de Los Angeles.*

### ¿Cómo funciona?

El padre/madre con dificultades que no pueda o no quiera cuidar de su recién nacido puede entregarlo en forma legal, confidencial y segura dentro de los tres días (72 horas) del nacimiento. El bebé debe ser entregado a un empleado de cualquier hospital o cuartel de bomberos del Condado de Los Angeles. Siempre que el bebé no presente signos de abuso o negligencia, no será necesario suministrar nombres ni información alguna. Si el padre/madre cambia de opinión posteriormente y desea recuperar a su bebé, los trabajadores utilizarán brazaletes para poder vincularlos. El bebé llevará un brazalete y el padre/madre o el adulto que lo entregue recibirá un brazalete igual.

### ¿Qué pasa si el padre/madre desea recuperar a su bebé?

Los padres que cambien de opinión pueden comenzar el proceso de reclamar a su recién nacido dentro de los 14 días. Estos padres deberán llamar al Departamento de Servicios para Niños y Familias (Department of Children and Family Services) del Condado de Los Angeles al 1-800-540-4000.

### ¿Sólo los padres podrán llevar al recién nacido?

No. Si bien en la mayoría de los casos son los padres los que llevan al bebé, la ley permite que otras personas lo hagan si tienen custodia legal.

### ¿Los padres o el adulto que entrega al bebé deben llamar antes de llevar al bebé?

No. El padre/madre o adulto puede llevar al bebé en cualquier momento, las 24 horas del día, los 7 días de la semana, siempre y cuando entreguen a su bebé a un empleado del hospital o cuartel de bomberos.

### ¿Es necesario que el padre/madre o adulto diga algo a las personas que reciben al bebé?

No. Sin embargo, el personal del hospital o cuartel de bomberos le pedirá a la persona que entregue al bebé que llene un cuestionario con la finalidad de recabar antecedentes médicos importantes, que resultan de gran utilidad para cuidar bien del bebé. El cuestionario incluye un sobre con el sello postal pagado para enviarlo en otro momento.

### ¿Qué pasará con el bebé?

El bebé será examinado y le brindarán atención médica. Cuando le den el alta del hospital, los trabajadores sociales inmediatamente ubicarán al bebé en un hogar seguro donde estará bien atendido, y se comenzará el proceso de adopción.

### ¿Qué pasará con el padre/madre o adulto que entregue al bebé?

Una vez que los padres o adulto hayan entregado al bebé al personal del hospital o cuartel de bomberos, pueden irse en cualquier momento.

### ¿Por qué se está haciendo esto en California?

La finalidad de la Ley de Entrega de Bebés sin Peligro es proteger a los bebés para que no sean abandonados, lastimados o muertos por sus padres. Usted probablemente haya escuchado historias trágicas sobre bebés abandonados en basureros o en baños públicos. Los padres de esos bebés probablemente hayan estado pasando por dificultades emocionales graves. Las madres pueden haber ocultado su embarazo, por temor a lo que pasaría si sus familias se enteraran. Abandonaron a sus bebés porque tenían miedo y no tenían nadie a quien pedir ayuda. El abandono de un recién nacido es ilegal y pone al bebé en una situación de peligro extremo. Muy a menudo el abandono provoca la muerte del bebé. La Ley de Entrega de Bebés sin Peligro impide que vuelva a suceder esta tragedia en California.

## Historia de un bebé

A la mañana temprano del día 9 de abril de 2005, se entregó un recién nacido saludable a las enfermeras del Harbor-UCLA Medical Center. La mujer que llevó el recién nacido al hospital se dio a conocer como la tía del bebé, y dijo que la madre le había pedido que llevara al bebé al hospital en su nombre. Le entregaron a la tía un brazalete con un número que coincidía con la pulsera del bebé; esto serviría como identificación en caso de que la madre cambiara de opinión con respecto a la entrega del bebé y decidiera recuperarlo dentro del período de 14 días que permite esta ley. También le dieron a la tía un cuestionario médico, y ella dijo que la madre lo llenaría y lo enviaría de vuelta dentro del sobre con franqueo pagado que le habían dado. El personal médico examinó al bebé y se determinó que estaba saludable y a término. El bebé fue ubicado con una buena familia que ya había sido aprobada para adoptarlo por el Departamento de Servicios para Niños y Familias.
